A portion of your GCA dues are for subscription to the Georgia Cattleman, and is only available as part of the GCA membership.

Payment of the GCA membership dues are tax-deductible for most members as an ordinary business expense. Complying with the new tax law, GCA estimates that 25% of the dues payment is not deductible as a business expense because of GCA's direct lobbying activities. Charitable contributions or gifts to GCA are not tax deductible for federal income tax purposes.
