Steve Sellers Top Hand Award
Call for Nominations

For many years GCA has recognized people who have made a significant contribution to the organization over the past year by naming them the Steve Sellers Top Hand award winner. These people included members and non-members, industry leaders and non-connected volunteers. The only needed qualification is a servant's heart and outstanding effort within our organization.

The award is named for Steve Sellers, who joined GCA in 2020 as our Director of Communications and unfortunately passed away shortly after. While his time at GCA was short, Steve left an indelible mark on our organization. With a servant's heart and an uplifting smile, Steve embodied the spirit of our Top Hand award, and his legacy will continue to be recognized each time this award is given.

Former recipients of the award are:

Patsie Cannon, 2004
Dr. Carter Black, 2005
Billy Moss, 2006
Shirley Myers, 2007
Billy Moore, 2010
Ted Dyer, 2012
Danny "Dan-O" Morris, 2017

To submit your nomination, please email swilliams@gabeef.org by January 15, 2027 with the following:

1. The name of the individual you would like to nominate
2. Letter of Recommendation for your nominee

If your nominee is selected, we will reach out to get their biographical information for the Convention presentation.
