

NOMINATING COMMITTEE REPORT

The Convention/Summer Conference Committee works throughout the year planning our two largest events. This would have been GCA's 60th Anniversary. Big plans were made to change the location and time of the convention with hopes of a larger crowd and more options for families. The convention was planned for January 28 - 30 in Savannah. Due the COVID-19 pandemic, the convention was cancelled.

Summer Conference planning is underway. It will be held July 23 – 25, 2021 at The Ridges Resort on Lake Chatuge. The convention will be held in Savannah, February 24 – 26, 2022. Watch for the announcements for both events and plan to join us!
