EXPO COMMERCIAL HEIFER SHOW JUDGE

We are proud to welcome George Richburg, Auburn, Alabama as judge for the 2020 Georgia Expo Commercial Heifer Sale. A product of the Alabama Junior Program, George grew up on a small seedstock and show cattle operation in central Alabama exhibiting cattle in the Junior Shows for 12 years. George was a member of the Alabama State winning 4-H and FFA Livestock Judging Team. He exhibited market steers, commercial females and Angus females through his show career. George currently is Manager of the Auburn University Beef Teaching Unit in the Animal Science department. His duties include managing the beef herds of Angus, Beefmaster, Fleckveih and commercial cows that are utilized to educate students and producers. George graduated Auburn University in 2003 with a BS degree in Agricultural Economics & Business with a minor in Animal Science. He currently is pursuing an Agricultural Master's degree. George has judged numerous Junior Shows through-out the Southeast. He and his wife Darcey are building their own cattle operation comprised of Registered Angus and Simmental and Commercial Cattle.

L. G. Herndon, Jr. Farms has evolved into one of the top beef breeding programs in the Southeast with a stellar purebred Charolais, purebred Brangus and large commercial brood cow herd. Their fall 2019 Private Treaty Bull and Commercial Female Sale was tremendously successful and they are making plans for another auction in the fall of 2020. We are pleased to have the L. G. Herndon, Jr. Farms return to the Expo this year with a top consignment of Bred and Open Heifers. The Herndon cattle have been very popular at the Expo with the 2016 Champion Pen of 3 Cow/Calf, 2018 Res Ch Pen of 3 Bred Heifers and Res Ch Pen of 2 Bred Heifers. At the 2019 Expo, Herndon consigned the Champion Pen of 3 Bred Heifers and Champion Pen of 2 Bred Heifers.

Scott McGuinty, retired High School Agriculture teacher, produce producer and cattleman, is consigning seven bred heifers all sired by a Todd Bickett Balancer bull. Several of the dams of these heifers were purchased at a previous Expo Commercial Heifer Sale that were consigned by Potts Brother Angus. Heifers were synchronized and bred A.I. to Select Sires noted bulls Tehama Tahoe and TEX Playbook. The heifers were then exposed after January 10, 2020 to a Balancer bull produced in the Hillbilly Cattle breeding program.

Brent Galloway, Jason Coe, Russ Connell and the entire crew at Joe Kennedy Farm have become strong supporters of the Georgia Expo Commercial Heifer Sale with high quality consignments for the past several years. Each year the Kennedy Farm cattle find their way to the top earning numerous awards including the 2019 Champion Cow/Calf Pairs and Open Heifers. Consigning 10 outstanding cow/calf pairs this year including 7 Angus and 3 Charolais cross females nursing Gretsche Angus sired calves and exposed back to Gretsche Angus bulls. The open heifers were selected from a huge contemporary group and will be of superior quality. The Angus sired heifers are out of Angus and Angus cross dams. The Charolais heifers are a powerful offering sired by Charolais bulls and out of Angus and Angus cross dams. Open heifers have pelvic score, CV, Triangle 10, dewormed and ready to breed.

GCC Gold Standard / Service Sire of Lots 78-89

Hagan Martinson will be a familiar name to the Club Calf folks in Georgia and we are pleased to have him as a first time consignor to the 2020 Expo Commercial Heifer Sale. The heifers are sired by an Angus bull from the Dewey and Helen Morgan Angus near Sylvania and the dams are Angus, Simmental and Hereford cross. The heifers were synchronized and bred January 30 and 31 to GCC Gold Standard X615 who is an Ohlde bred bull produced at the Griswald Cattle Company in Oklahoma. Heifers were then exposed to a Morgan Angus bull.

117	Oct-Nov 2018	Angus	Bred A.I. Feb 5 Gibbs Prowler		

Poe Farms consigned to several past Expo Commercial Heifer Sales with high caliber cattle and we are pleased to have them return this year with a quality offering of bred heifers. Lots 110 thru 115 are sired by an Angus bull and out of Angus and/or Angus cross dams. Lots 116-117 are purebred Angus heifers. All heifers were bred A.I. to Gibbs Prowler and then exposed to an Angus bull. Registration papers available on lots 116 and 117 for an additional \$50/each

CURTIS SALTER SANTA GERTRUDIS

Curtis Salter / 850-501-1847

123	Fall 2018	Santa Gertrudis x Hereford	Bred to Gert x Hereford		

Always pleased to have Curtis Salter from the Florida Panhandle bring his Santa Gertrudis influence cattle to the Expo Commercial Heifer Sale. As you pass through the cattle aisles, take time to visit with Curtis and learn how the Santa Gertrudis cattle perform in the humid Southeast and Gulf Coast area. Curtis is a past president of the National Santa Gertrudis Association and is well versed in the merit of these cattle.

SHOAL CREEK FARMS

2019 RESERVE CHAMPION PEN OF 2 BRED HEIFERS

Mike Crowder has been a consignor and supporter of the Georgia Expo Commercial Heifer Sale for many years and his Simmental cattle have always been some of the very best offered through this auction. Watch out for Mike this year as this might be his best offering ever! All heifers are SimAngus (Half Simmental and Half Angus). They are sired by a son of Premium Beef or the Angus son of Rito 6EM3. Mike purchased SCC 730F as the high selling Simmental in the 2019 Southern Cattle Bull Sale. He is a 5/8 Angus 3/8 Simmental son of SAV Final Answer and is the service sire of the heifers exposed January 24 thru March 16, 2020.

WILD BILL CATTLE CO.
2019 TOP 5 BRED HEIFER AWARD

Billy Helton operates a large Brangus breeding program near Warthen, Georgia and returns to the Expo Commercial Heifer Sale with a high quality offering of bred heifers selected from a large group of some 70-80 yearling heifers. These heifers were exposed to top end Brangus bulls from the Wesley Hunt Brangus breeding program near Calhoun, Georgia. Heifers have been developed on excellent winter grazing, mineral and very limited supplemented grain. Watch for these females to make super brood cows!
